

## **IPSWICH HINDU SAMAJ**

### **TRUSTEES ANNUAL REPORT 2009 TO THE AGM 2010**

Five Trustees were elected at the last Annual General Meeting and at the first meeting of the Trustees; Sanjaya Martin Spettigue was elected the Chairman and Mrs.Shakti Khosla the Secretary. Shortly after her appointment, Mrs.Khosla had to resign from the Trustees as she was moving out of the area.

Under the Samaj's Constitution the Executive Committee carries out the every day management of the Samaj. Trustees are able to attend the Executive Committee meetings but they are not permitted to vote at them. At the majority of these meetings one or more Trustees have been present and all the Trustees have been aware of the business and decisions made by this Committee.

However under the present Constitution the Trustees are not able to properly carry out their legal obligations as Trustees so they have drafted alterations to the Constitution to rectify this situation. The newly drafted Constitution is now put before members with a recommendation for approval by the Executive Committee.

The Trustees are able to confirm that the Executive Committee has had regular meetings, and in the Trustees opinion, has acted in accordance with the Constitution and the Committee has acted in a proper and responsible manner in the management of the Samaj and the Trustees would like to thank Committee members for all the efficient and effective work they have done in fostering and developing the Samaj.

Sanjay Martin Spettigue  
Chairman of Trustees
